We checked with the site team and see below for a potential travel option for Doug. Let me know if you have any questions.

Subject: Potential Benevento Trip to CFAC and Libby

Sandy,

Mike said the week of May 14th would work best for a trip to CFAC and Libby.

There's a public panel—Mike can provide more detail on that—on the night of the 17th of May in Columbia Falls.

The thinking would be that Doug could fly to Kalispell on the 15th, Mike could pick him up, possibly meet with congressional aides, tour/meet in Libby on the 15th and 16th and then go to CFAC for the 17th.

That's a very abbreviated summary of what could take place but gives you a rough concept of what a trip would look like.
